

CASTING SCENE 1

INT. KARLA'S BEDROOM - NIGHT 16

Karla and Bobbi sat awkwardly.

KARLA  
Do you want to talk about it?

BOBBI  
You go.

KARLA  
You're the one that's being all...

A beat.

KARLA (CONT'D)  
Georgie got high at school. Then she got busted.

BOBBI  
Weird, right? Mr Marrow just so happened to be there at the exact moment you gave her a joint?

KARLA  
He's got it in for me.

BOBBI  
No, you've got it in for Georgie.

KARLA  
She's been horrible.

BOBBI  
How, for making jokes?

KARLA  
At our expense.

BOBBI  
Such as?

Karla shifts awkwardly.

BOBBI (CONT'D)  
(not sorry)  
Sorry, okay?

KARLA

Yeah, I mean... what do I care?  
Tell everyone what's going on with  
us. Or not.

BOBBI

So that's enough reason to get her  
suspended? Oh, and the play  
cancelled.

KARLA

I didn't mean for that to-

BOBBI

(over)  
Yeah. You did.

A beat. Karla starts to well up.

KARLA

What d'you think it's like seeing  
your girlfriend kiss someone else?

BOBBI

It's a play.

KARLA

I know.

BOBBI

It was, anyway. You're pathetic.

KARLA

We could find another venue. Get  
someone to replace Georgie.

BOBBI

What would be the point?

Karla reaches out to Bobbi.

KARLA

Please-

But Bobbi backs away from her.

Are they over?

CASTING SCENE 2

EXT. LIBRARY - NIGHT 6

Bobbi and Karla walking together.

BOBBI  
Think she'll be okay?

KARLA  
Once she murders Wade, sure.

BOBBI  
Such a mess.

KARLA  
(shrugs)  
Glad I'm not them.

BOBBI  
Very compassionate.

KARLA  
What I mean is... they don't have  
you.

BOBBI  
Awww...

KARLA  
Someone to take me skating.

BOBBI  
Skating?

KARLA  
Yeah I just assumed that'd be the  
surprise date.

BOBBI  
Why would I surprise you with the  
same date you surprised me with?

KARLA  
Cause I'd like never be expecting  
it.

BOBBI  
Except you are.

KARLA  
What can I say? I love to skate.

BOBBI

You're on your own with that one.

KARLA

Alright, well... what are we doing?

BOBBI

This...

Bobbi gestures to the library building.

KARLA

That's a library.

BOBBI

(sarcastic/patronising)

Well done!

KARLA

They got like a speaker on or something?

BOBBI

I thought I'd show you how to use it.

KARLA

Find books. Read books. Take them back. Got it.

BOBBI

But like when you need to research, there's all these e-resources.

KARLA

You're joking.

BOBBI

No?

KARLA

You're taking me to a library. On a date.

BOBBI

It's where the cool kids hang out.

KARLA

If by kids you mean pensioners?

BOBBI

You never watched Buffy? I thought you liked zombies and all that.

KARLA

It was vampires. Big difference.

BOBBI

C'mon. You shared your passion with me. I wanted to do the same.

KARLA

(reluctant)

Really?

Bobbi nods.

KARLA (CONT'D)

Yeah. I mean it could be fun, right? You can show me how the filing system works and stuff...?

Bobbi bursts into laughter.

BOBBI

I so got you.

KARLA

What?!

BOBBI

How lame do you think I am? I'm not gonna take you to the library on a date.

KARLA

Then why are we here?

BOBBI

(points)

Bus stop.

KARLA

Where are we actually-

BOBBI

(over)

Bowling.

KARLA

(annoyed but amused)

You...

BOBBI

Not the only one who can surprise someone.

KARLA

You're the worst. You're actually  
the worst.

BOBBI

(laughs, doing an  
impression)  
"The filing system sounds  
interesting"

KARLA

It was totally believable! You love  
books and stuff!

BOBBI

Yeah, but we can do that at lunch.

KARLA

You know I'm terrified of bowling  
right?

BOBBI

Don't.
